## **Proposed Public Notice for Supplemental Teaching Physician (STP) Payment Program**

The South Carolina Department of Health and Human Services (SCDHHS), pursuant to the requirements of Section 1902(a)(13)(A) of the Social Security Act, gives notice of the following proposed action regarding its methods and standards for setting payments for the Supplemental Teaching Physician (STP) Payment Program under the State Plan under Title XIX of the Social Security Act Medical Assistance Program (Medicaid).

Effective for payments beginning on or after April 1, 2017, the SCDHHS proposes to compute payments under the CMS approved STP Payment Program using calendar year 2016 Medicaid fee for service claims data and commercial payer rates. The Medicaid fee for service claims data will be adjusted by an incurred but not reported (IBNR) factor to account for any incurred calendar year 2016 claims that may pay during the course of calendar year 2017.

SCDHHS is making the proposed change in order to update the STP payments using more current claim and commercial payer data.

SCDHHS projects that based upon the proposed action, annual aggregate Medicaid fee for service expenditures will increase by approximately \$1.65 million total dollars.

Copies of this notice are available at each county SCDHHS office and at [www.scdhhs.gov](http://www.scdhhs.gov) for public review. Additional information regarding this proposed action is available upon request at the address cited below.

Written comments may be sent to the Reimbursement Methodology and Policy Department, SCDHHS, Post Office Box 8206, Columbia, South Carolina 29202-8206. Comments may also be submitted to [comments@scdhhs.gov](mailto:comments@scdhhs.gov). Written and e-mailed comments must be received by close of business March 30, 2017.
